

Project 90

Problems	Solution
1) Forgot to fill the water when he went to School.	We can make 'Water Storage App' by that he can not forget to fill the water.
2)Sia is difficult to spell the words.	We can make an 'Speech App' by that she can hear the words.
3)Raj likes to play puzzles but one day his puzzle was broken.	we can make 'Puzzle Game' by that we can play n number of puzzles.
4)Forgot to turn off lights and the current bill was rising.	we can make a 'Light and fan operator' to turn off the lights.
5)Raj T.V was broken and he can't see T.V.	We can make 'Television Maintenance App' to contact all types of Television repairer.
